

Paul Hauser  
General Manager  
Trinity Public Utilities District (TPUD)

Paul Hauser has been the General Manager for the Trinity Public Utilities District, headquartered in Weaverville, California since September of 2011. Previously, Mr. Hauser worked for the city of Redding, California, as its Electric Utility Director. He previously served as the Chairman of the Balancing Authority of Northern California and served on the Board of Governors for the California Municipal Utilities Association, past President of the Weaverville Rotary Club, and Board Member for the Mountain Community Healthcare District.

Mr. Hauser began his electric utility career in North Carolina with Duke Power Company in 1989 and has managed municipal utilities in North Carolina and Missouri. While working as the Electric Director for the city of Kirkwood, Missouri, Mr. Hauser was also President of the Missouri Association of Municipal Utilities and served as a gubernatorial appointee on Missouri's Clean Water Commission.

A registered professional engineer, Mr. Hauser holds a Bachelor of Science in Electrical Engineering from North Carolina State University and a Master of Business Administration from the University of Missouri.
